

PUHSD ETC Agenda

January 21st, 2013

- Praise, Question, Polish
Praise is where you share out something good, beneficial or useful. Question is something we need more info clarification, can be bad news. Polish is where you provide examples of how to improve stuff and it could be how to improve an ugly situation.
- P, Q, P
 - Brian Wilson - images from PowerPoint in Haiku not showing up clearly for students - upload as .pdf
 - Robert Guzman - does not have a projector, uses Haiku to delivery presentation lessons; completed Sophia Classroom Certification www.sophia.org; was Google Chat turned off for students? yes
 - VLC is software that will allow you to play DVD movies through an Apple TV <http://www.videolan.org/vlc/index.html>
 - Dottie Peters - Haiku quick to respond to questions
 - Dottie Peters - Pearson's online text challenging to use
 - Will Warren - Tech support on site
 - Mark Synnott - several students with broken CB screens; hard to use tech with so many students with broken screens- Librarian will be Inserviced on CB Repair Updates to improve return rate.
 - New system in place to fix CB on site with no fiscal impact to PUHSD
 - Daniel Morgan - Charles Tippie has set the District up for SBAC testing--great scaffolds in place for the real test; student breakage of CB seems to be reducing as students learn how to care for devices; there is a push for Digital Citizenship and ScreenCast O'Matic. Leadership has included Technology on their PD Calendar. EdTech sits in the Leadership Meetings to contribute. The multiple Admin changes have been interesting, but we are in full stride now.
 - Chad Shaner - Attended EdCamp (positive experience); using Twitter, Webinars, etc. for PD; question - how do I promote this to other teachers
 - Michael Wilson - praise - more staff is using Haiku
 - Princess Choi - wants to learn how to use Haiku better; how can we create multiple choice questions with multiple responses?
 - Dr. Greenberg - praise - kudos to what Dr. Peters is doing in her classroom with technology
 - Tom - Charles Tippie - Anyone try Webzones? Though some teachers reported using it in classes, the results have been inconsistent.
 - Julie Shah - Setting up Haiku! EADMS went well, Haiku Assessments. Students

PUHSD ETC Agenda January 21st, 2013

- not getting Chromebooks repaired
- Shane Pinnell - Welcome, Joe!
- Joe Williams - praise to the guys in Tech and everyone at today's meeting; wants to bring EdCamps to PUHSD; need to work on Digital Citizenship
