

PUHSD ETC Agenda 10/08/2013

- Praise, Question, Polish

Praise is where you share out something good, beneficial or useful. Question is something we need more info clarification, can be bad news. Polish is where you provide examples of how to improve stuff and it could be how to improve an ugly situation. (You might notice that in my explanation of PQP you could have seen the words "the good, the bad, the ugly". We are not calling it that but thinking of it that way might help you.)

- Praise:

- Connectivity issues seem to be largely resolved.
- Meeting held for resolving PVHS copier issue
- Quick response times observed for tech problem solving at sites/in classrooms
- Less discipline incidents
- Quizzes and short tests on Haiku are awesome!
- Paloma's tech coach Mike Wilson organizes great, **one-on-one &** regular trainings
- Was uncertainty-Now resolved (Dealbreakers)
- Meeting on Copiers
- Quizzes on EADMS
- Quizzes on Haiku (close window/password)
- CMI Roll out went smooth
- Small trainings

- Question:

- What happened to Haiku login and download speeds this week?
- Many teachers are struggling with off task behavior: messaging, playing games, ear buds, etc.
- Teachers need a "test student" that they can log in as and try out new things.
- Ghost students for teachers to you and try stuff out?

- Polish:

- Too many students without Chromebooks: parents say no, they forget them, they are dead, or they die mid-period.
- Lots of screens broken/damaged: The Chromebook PSA Youtube video should be pushed out **(?) reviewed** again **emphasizing proper handling of Chromebook**. Students can pay \$50 dollar fine later, if they don't have the money at the time the Chromebook is damaged.

- Slow internet speeds
 - Students who do not bring devices, game players, off-task students
